OUR TEAM

Co-Founders of De Graphic Factory

Over a few cups of sulaimani, on the mid-night of 15th December 2014, nine room mates came up with the idea of launching a customized apparel brand. The team was united by the idea of helping customers create memories and a sense of belongingness filled with emotions attached to their schools, colleges, groups and gangs in the form of t-shirts, sweatshirts and jerseys. They also aimed at building an ultimate destination that realised the needs of the customer without compromising on design and quality

TESTIMONIALS

They delivered what they promised! And quite interestingly, they were able to give quality product at an affordable price, which definitely makes De Graphic Factory a cut above!

- Prajith K J, MFM - NIFT, Bengaluru

Although we were initially sceptical about shifting the t-shirt orders from our traditional vendor base, I must say these guys delivered. We were very happy with the quality and timing, both of which were as good as promised

- Arun Menon, Coordinator - Echoes, IIMK

Thank you De Graphic Factory for the awesome set of t-shirts you printed for Belong Foundation. The cloth quality and printing were simply brilliant and in the best available price. This is what gave me the confidence to recommend you guys when my company had planned to print t-shirts. Keep up the good work and all the best!

- Ritesh Radhakrishnan, Ignitho Tech, Kochi

At first we were a little sceptical to go for a new vendor and that too a start up for the our sweat-shirts. But there was something about De Graphic Factory that made me go for it. And just as they promised, the product was perfect. The hoodie is very comfortable to wear and the fit, the embroidery and the material is very good and long lasting. How they handle their customers is truly remarkable

TESTIMONIALS

We've been in business with De Graphic Factory since 2016. Their attention to detail and quality control, and their commitment to deliver on time, even with minimal notice has made DGF the go-to supplier for all our designing needs

- Arun S, IISER, Trivandrum

De Graphic Factory was our go-to guys for our city's tees. A part of being proud wearing them was knowing a volunteer from our city founded the company and its line of top notch products. They always had our backs for the best and most impressive tees

- Rahul Saju, CFR Fellow - MAD, Kochi

I placed an order for DGF's signature tee from their "forever together series" and was really amazed to see how it turned out. From design to quality everything was on point. And surely "forever together" designed tees gifts you memories for a lifetime . It indeed was a happy purchase, looking forward to many more

- Fathima Nishma P.K, RCMAS, Ernakulam

With so many t-shirt options in the college cultural fest market we wanted our t-shirt to be unique, so we decided to order a glow in the dark material for our t-shirt design from De graphic Factory. We ordered 1000 t-shirts on short notice and it was delivered to us on time. The quality of shirt material and glow in the dark was incredible for the price. The glow in the dark paint got really bright in the dark and did not peel off or get damaged on washing. The t-shirts were so good that we ran out of stock in just 3 days
